

UNIVERSIDAD  
DE GRANADA

With the support of the Erasmus+  
programme of the European Union

# First International Research Development Week

**Realizing the potential for collaboration**

Granada, 23–27 July 2018

## Rationale

The Researcher Development Week is a one-week event for researchers and academics as well as policy officers in charge of research and knowledge transfer at the partner universities of the University of Granada. It is financed by the European Union's Erasmus+ International Dimension Programme (E+ ICM). The aim of the meeting is to promote the internationalization of research and knowledge transfer bringing together academics and researchers from all over the world. The participants will also have the opportunity to meet local research groups and to explore possibilities for opening new paths for collaboration.
