Information about Summer Schools at Partner Universities 2017

Faculty of Electronics, Telecommunications and Informatics at Gdańsk University of Technology, Poland

Title: Gdansk Summer School of Advanced Science on Algorithms for Discrete Optimization.

Dates: from 5th until 12th of September 2017.

Location: Gdańsk, Poland.

The school aims at providing an opportunity for graduate and undergraduate students as well as young researchers to attend advanced courses and talks on current topics in the field of algorithms and data structures for discrete optimization problems. During 8 days, several advanced mini-courses and invited lectures will be delivered by renowned researchers. Each course will be followed by appropriate exercises.

The participants will have a possibility to participate in additional activities, such as excursions to the Old Town of Gdańsk and to the Medieval Castle of Teutonic Knights in Malbork.
