

首都师范大学

首都师范大学简介

Brief Introduction of Capital Normal University

CNU

Capital Normal University (CNU), established in 1954, is a key comprehensive university supported and funded by Beijing Municipal Government, embracing liberal arts, sciences, engineering, management, law, education, fine arts and music etc.

CNU greatly values academic exchanges and has signed cooperation agreements with 194 foreign universities and institutions from 32 countries and regions. Confucius Institutes were jointly set up in St. Petersburg State University in Russia, University of Minnesota in America, University of Venice in Italy, University of Piura in Peru, State University of New York at Buffalo in America and Bremen University of Science & Technology in German. In addition, as one of the earliest universities authorized by China's Education Ministry to accept international students, Capital Normal University accepts about 2,000 long-term and short-term international students annually.

CNU is located at the west third ring road of Beijing with convenient public transportation of subway, buses and taxi. The campus is not far away from both the prosperous downtown in Beijing and world famous historical sites such as the Summer Palace and Forbidden City etc.

CIE

College of International Education (CIE) is one of 18 academic institutes in Capital Normal University. CIE is responsible for Chinese language education, international student service and international communication between CNU and foreign universities. With outstanding faculties and advanced facilities (multimedia classroom, lecture hall and comfortable dormitory etc), CIE provides students with comfortable living and learning environment.

The dormitory building has Chinese restaurant, Japanese/Korean restaurant, cafe, store, bookstore, laundry room, public kitchen, indoor swimming pool, business center etc. There is single room, double room and four-bed room, equipped with bathroom, TV, computer, air-conditioner, refrigerator etc.

Faculty

There are 1509 full-time teachers in CNU of which 299 are professors, 540 are associate professors, 818 have doctoral degree and 510 have master's degree. 88% of full-time teachers have master's degree or doctoral degree. Now there are a number of experts and scholars who have academic influences at home and abroad. There are 6 academicians of Chinese Academy of Sciences and Chinese Academy of Engineering, 1 academician of Russian Academy of Engineering, 3 members in Discipline Appraisal Group of Academic Degree Committee of State Council, 13 members in Teaching Advisory Committee of Education Ministry, 4 candidates in national "Thousand Talents" plan, 6 Yangtze River scholar professors, 1 Yangtze River Scholar Chair professors, 34 Beijing Technological New Stars, 176 Beijing "Outstanding Teachers", 35 Beijing Special Term Professors and 9 candidates of High-level Talents Scheme etc.

College of International Education has 50 full-time language teachers and about 40 part-time teachers, of which 2 are professors, 15 are associate professors and 9 master tutors. 32% teachers have doctoral degree. 80% have overseas teaching experience and certificate of Teaching Chinese as foreign Language (advanced level). CIE has undertaken various programs funded by Confucius Institution, China's Education Ministry or Beijing Municipal Education Commission etc. Research results published on *Chinese Teaching in the World* and other academic journals.

Scholarships

Capital Normal University is one of the earliest universities that can accept "Chinese Government Scholarship" students and "Confucius Institute Scholarship" students. Furthermore, self-supported student have a good opportunity to win "Beijing Municipal Scholarship".

1). Beijing Municipal Scholarship

All new degree-seeking students (undergraduates, postgraduates and doctors) studying in Capital Normal University can directly get "Beijing Municipal Government Scholarship for International Student" for one academic year. He shall attend courses, finish homework and pass exams, which means he need meet the scholarship requirement for new degree-seeking students. From the second academic year, he can continue getting full scholarship if he meets the scholarship requirement for matriculated degree-seeking students.

2). Confucius Institute Scholarship

Confucius Institute Scholarship, established by Confucius Institute Headquarters (Hanban), provides financial aid for students, scholars and Chinese language teachers worldwide to proceed to a Master's degree in Teaching Chinese to Speakers of Other Languages (MTCSOL) in Chinese universities, or study in other majors such as Chinese Language and Literature, Chinese History and Chinese Philosophy.

Confucius Institute Scholarship students are exempt from registration fees, tuition, fees for basic learning materials, accommodation fees on campus, and are provided with a one-off resettlement subsidy, monthly allowance, outpatient medical service and comprehensive insurance for foreign students studying in China.

Capital Normal University is one of the universities which are allowed by Hanban to accept "Confucius Institute Scholarship students". More information about implementing rules, award and application procedure of Confucius Institute Scholarship, please log onto Hanban Website (<http://www.cis.chinese.cn/>)

3). Chinese Government Scholarship

In order to enhance mutual understanding and friendship between the Chinese people and people from all over the world, and to promote cooperation and exchanges in fields of politics, economy, culture, education, and trade between China and other countries, Chinese government has set up a series of scholarship programs to sponsor international students, teachers and scholars to study and research in Chinese higher education institutions. For more details please refer to China Scholarship Council website (<http://www.csc.edu.cn/>).

Capital Normal University is authorized by China's Education Ministry to accept "Chinese Government Scholarship students". For more information about implementing rules and application procedure, please consult Chinese embassy (consulate) or dispatched departments and agencies which are authorized by China Government Council and submit application at Chinese embassy (consulate) in your country.

Specialties

There are 18 colleges and departments in Capital Normal University, including : College of Fine Arts, College of Foreign Languages, College of History, College of Information Engineering, College of International Education, College of Life Science, College of Literature, College of Management, College of Mathematics, College of Music, College of Politics and Law, College of Pre-school Education, College of Primary Education, College of Resource Environment and Tourism, Department of Chemistry, Department of Educational Technology, Department of Physics, School of Education Sciences, with totally 52 undergraduate specialties, 145 master's degree programs, and 91 doctorate program.

Programs in CIE:

| College of International Education | | | |
|------------------------------------|--|------------|---------------------------|
| No. | Programs & Specialties | Non-degree | Department |
| 1 | Chinese Language Training | Non-degree | Chinese Language Training |
| 2 | Chinese Language (4 academic years) | Bachelor | Chinese Language |
| 3 | International Chinese Education (2 academic years) | Master | |
| 4 | Linguistics and Applied Linguistics (3 academic years) | | |

Note:

1. The department of Chinese language training can provide both long-term and short-term training (join the long-term class).
2. There are two directions for undergraduate of Chinese Language from the 3rd grade:
 - 1). Chinese language direction. 2) International trade direction.
