Arqus moVEs - Get ready for an intercultural and multilingual experience, either at home or abroad!

Do you want to have a **funny and intercultural experience**?

Do you want to practice **different languages** with **new friends** from other **countries**?

Don't miss the chance to join **Arqus moVEs**: Apply [here](#) by **October 31st - spots are limited!**

For more information please visit the [Arqus website](#) or contact [@email](#)

Kick off meetings on the 4th and 5th of November, 2026 (There will be a kick off session via Zoom on the 4th of November dedicated to selected students only. Participation is HIGHLY recommended and students will be notified with the link).

Witness the enthusiasm of our previous participants:

Kateryna: "Honestly, I **didn't feel like a foreigner in this stream**, I was like a puzzle in this **wonderful ecosystem** of thoughts. It was **truly magical** how everyone was immersed in the conversation, how each person was interested in each other, which makes **this experience unique** in the world of social media and fake communication."

Enrique: "It's a **beautiful linguistic and cultural dance** between two or more parts"

<http://internacional.ugr.es/>

Faithful "...the actual program still managed to **surprise and amaze** me with its depth and breadth...it introduced me to a world of possibilities, **inspiring an insatiable curiosity** for culture".

Diletta: "The idea behind it is **impressive**..."

Violeta: "...it's undoubtedly a truly **enriching and transformative** experience..."
