Coordinación: Asociación Columbares (España)

Socios:

Universidad de Granada (España)
Maynooth University (Irlanda)
Yaçar University (Turquía)
Universidad de Salamanca (España)
Mykolas Romeris University (Lituania)

Descripción:

RESTORE-ADU strengthens non-formal adult education to support rights-based, safeguarding and restorative-oriented practice in hate crime and hate speech contexts. It builds transferable competences for in-service, early-contact professionals across justice, adult education, social services and civil society, enabling consistent information, safe signposting and coordinated support. It aligns with EU values of dignity, equality, non-discrimination and democracy.
