University of La Rochelle (Francia)
Universidad de Lleida (España)
University of Oulu (Finlandia)
Lebanese University (Líbano)
Lebanese American University (Líbano)
Holy Spirit University of Kaslik (Líbano)
Notre Dame University - Louaize (Líbano)

Descripción:

The SWaTH Project aims to support the modernization, accessibility, and internationalization of the Higher Education field in the Southern Mediterranean countries, in particular Lebanon, by (1) Developing a transnational cooperation system between the different organizations from the participating countries with the aim of capacity building, scientific cooperation, and knowledge transfer, (2) Promoting voluntary convergence with EU developments in the Higher Education sector by providing examples of best practices and recommendations, guidelines, and European expertise, and (3) Improving the quality of higher education and enhance its relevance for the labor market and society.
