### **New European Scholarship Portal: ScholarshipPortal.eu**

**Descripción:** A new online scholarship database, ScholarshipPortal.eu, was recently launched at the European Association for International Education (EAIE) conference. ScholarshipPortal.eu is an integrated, centralized European platform providing information on all scholarships offered for studying in Europe. The database already contains over 700 scholarship programs.

Students can now find and compare relevant programs based on their nationality, background, where and what they want to study, and many more search criteria. ScholarshipPortal has been developed by StudyPortals and the Academic Cooperation Association (ACA) and funded by the European Commission Lifelong Learning Programme.
