

Mobility and professional development for researchers

EURAXESS -Researchers in Motion is a unique pan-European initiative delivering information and support services to professional researchers. Backed by the European Union and its Member States, it supports researcher mobility and career development, while enhancing scientific collaboration between Europe and the world.**.

One of their actions has been the creation of the 'No limits' toolkit for researchers, which includes resources to help you:

- identify what's important for you in your career
- plan to build on your skills and knowledge
- consider a wide range of career options
- make a plan to reach your professional development goals.
