The city of Leon

The City of Leon is located between the "Bajío Guanajuatense" and the highlands of Jalisco, right in the center of the Mexican Republic.

The city of Leon is known as the World Capital of Footwear because there are concentrated great number of factories that produce shoes and leather goods of excellent quality, whose fame has exceeded Mexico's borders.

Leon, located in central Mexico, is one of the places with the highest rates of development in the last 10 years. It comprises 1,183.20 km² of extension and it is only 5 hours from Mexico City, 2 hours from Guadalajara City and its central location allows you to easily commute to different destinations within the Mexican Republic.

Universidad De La Salle Bajío

Our university is part of an Educational Community with presence in the five continents, offering comprehensive education for students without distinction of social status, race or religion.

APPLICATION PROCEDURE

- 1.- You send an email to the Head of the Department of Internationalization (pvillasana@delasalle.edu.mx) and to (international@delasalle.edu.mx) containing the following information: name of the student (s), area of study , student´s e-mail and the period they apply for mobility.
- 2.- We send a confirmation mail, along with the formats for the application.
- 3.- You complete the formats and send them back, to the Incoming Mobility coordinator. (international@delasalle.edu.mx)
- 4.-Then you receive the correspondent Acceptance Letters(s) and arriving directios for students.

MIGRATORY PROCESS

For most nationalities there is a temprary permission to stay in Mexican territory for a period of 180 days without a Visa. At the arrival to Mexican Territory, the immigration officer will give the student an FMM format, stating the period that is granted (180 days). This format is VERY IMPORTANT to keep safe, because it is the temporary official permission to live in Mexico.

For other Nationalities, it is necessary to apply for a student´s Visa at the nearest Mexican Consulate or Embassy.
