Third International Researcher Development Week

Realizing the potential for collaboration

Rationale

The third Researcher Development Week is a one-week event for researchers and academics as well as policy officers in charge of research and knowledge transfer at the partner universities of the University of Granada. It is financed by the European Union's Erasmus+ International Dimension Programme (E+ ICM). The aim of the meeting is to promote the internationalization of research and knowledge transfer bringing together academics and researchers from all over the world. The participants will also have the opportunity to meet local research groups and to explore possibilities for opening new paths for collaboration.
