

Compostela Group I International Video Contest

**Want to give your creativity
international dissemination?**

**Can't find enough platforms
in the international arena to
show what you are capable
of?**

This is

your

opportunity.

► How?

Only the winners of the internal contests at their universities will be invited to participate. The video should be (ask for the Terms & conditions for more info):

- Promotion of your institution and the Compostela Group of Universities. Include the logos!
- Maximum 1 minute 30 seconds long.
- In English or including subtitles in correct English.
- Without unauthorized music or images.
- Recorded with any device.

► When?

Jury's decision: June 2012.

Presentation of the Prize: September 2012, at the General Assembly of the Group, in Oulu (Finland).

► Why?

- Dissemination of your creation: through all the CGU platforms (website, social networks, media contacts, etc.) and its members'.
- Prize: Trip to Finland to participate in the General Assembly of the Group and receive the prize from a relevant person from the international media.

► Who?

The Compostela Group of Universities. We are an international association of higher education institutions. We currently have over 70 members in 26 different countries.

One of our main objectives today is to encourage students to use the new media and develop their creativity through initiatives like this. More info at: www.gcompostela.org
