The Ribbon of Nature (TRON)

Tipo de proyecto: KA2 Small-scale Partnership

Fechas: 02/02/2025 01/02/2027

Coordinación: Limfjordsteatret (Dinamarca)

Socios:

Tomatierra SCA (España)
University College of Northern Denmark (Dinamarca)
Universidad de Granada (España)

Descripción:

The Ribbon of Nature is an innovative Erasmus+ project that weaves together performing arts, nature, and education to create transformative learning experiences for students, educators, and local communities. By combining the creative power of the arts with the immersive environment of nature, the project aims to foster civic engagement, environmental awareness, and pedagogical innovation.
