Green Transition for Economics and Administrative Science (EAS) Students: Green Jobs, Green Skills, and Green Careers (GREAT)

Tipo de proyecto: KA2 Cooperation Partnership

Referencia del proyecto: 2024-1-TR01-KA220-HED-000245317

Fechas: 01-12-2024 31-11-2026

Coordinación: Bursa Uludag University (Turquía)

Socios:

IÉSEG School of Management (Francia)

Klaipėda University (Lituania)

Universidad de Granada (España)

Descripción:

The project aims to build a bridge between EAS students and the green transition. When the project is completed, EAS students will adapt their careers to the green transition, perform their profession in a green way, and become part of the green transition. Integrating the green transition issues into EAS curricula will ensure the transition actualizes fast, inclusive, and permanent.
