Local and regional engagement

The UGR is perfectly integrated into the city of Granada. Its faculties and campuses are distributed all over the city, which gives Granada a strong student character (almost 56.000 students in a city of 240.000 inhabitants).

The University generates 6,12 per cent of Granada's GDP

Top facilities and services for students and staff

A **wide range of services covering different aspects of university life** (accommodation, libraries, teaching resources, canteens, pedagogical advice, accessibility services, Wi-Fi connectivity, sports and much more)

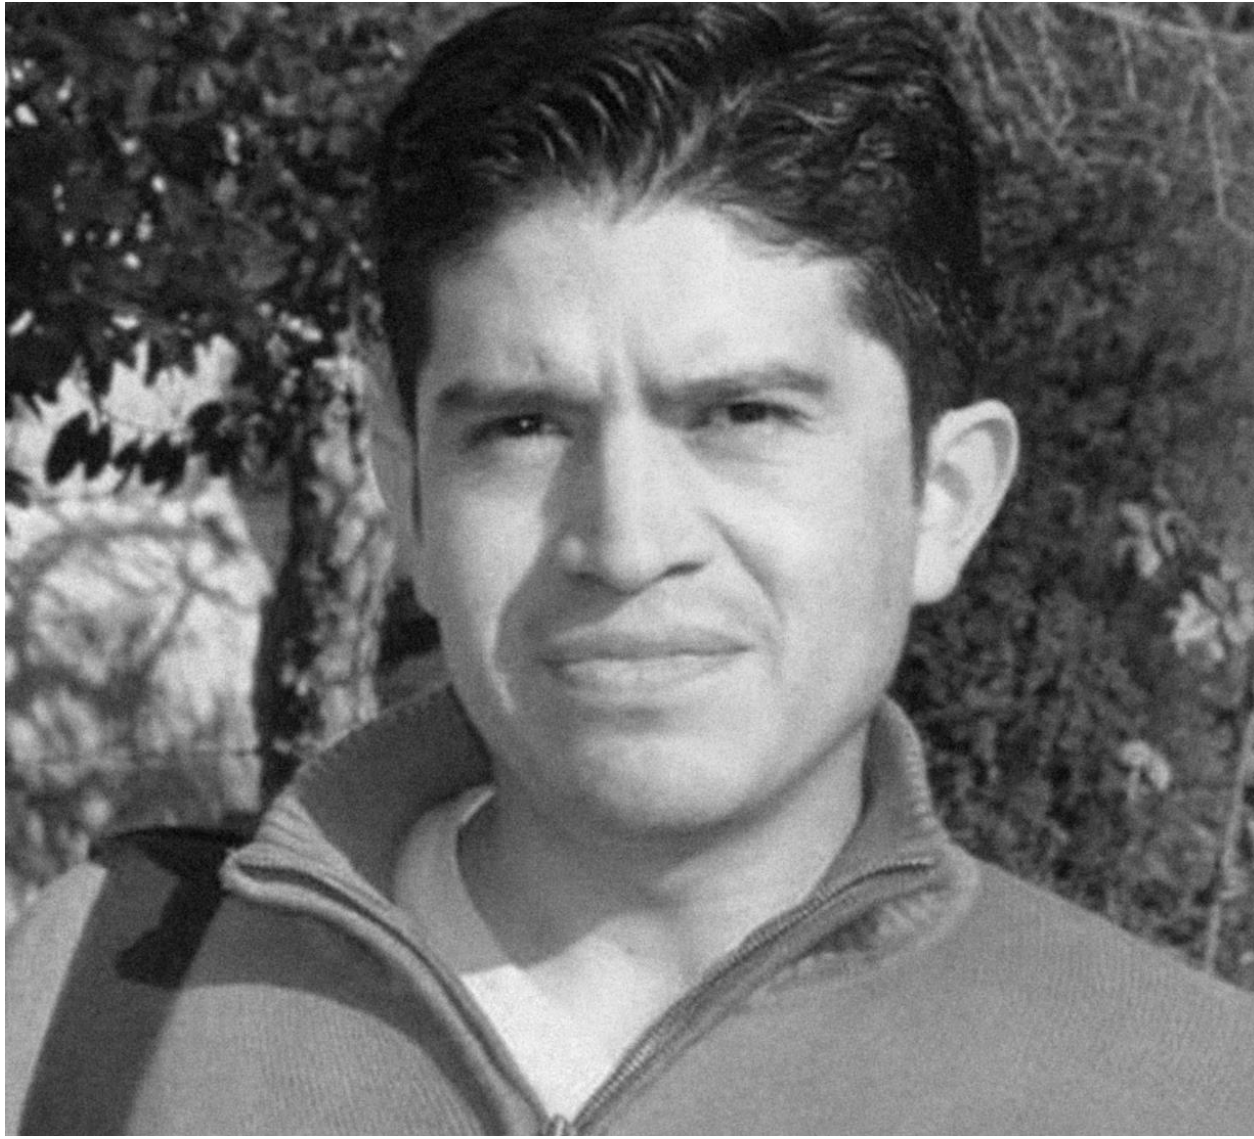

A **welcome service** for **international** teachers and researchers

Mentor Programme of the University of Granada

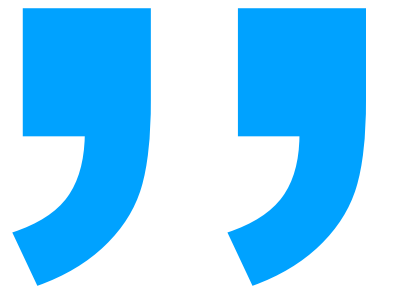

Welcome and Induction
Days for International Students

induction.ugr.es

“The UGR fosters a **cosmopolitan, dynamic and open-minded** environment, thanks to which the bond between the University and society is very strong. It encourages research efforts and constantly **updates its academic and cultural offer.**”

Rubén Gonzalo Fernández, Bolivia

“This is **the biggest University I have ever been to.** I felt thrilled while studying in the University of Granada because **it is not only a university, it is a landmark in the history books of Spain.**”

Rahat Khan, Bangladesh
